

The CleanStation - Most Effective Air Purification System in the World!

- 8. CLEAN FRESH AIR**
The HealthWay 20600-3-DELUXE delivers clean FRESH air 365 days a year 24/7.
- 7. ELECTRONIC CONTROL PANEL**
Indicates when to replace Main Filter.
- Bio-monitor Light shows DFS Germ Killing Zone is working efficiently.
 - Convenient 3-speed control.
 - Low speed ultra-quiet air flow control.
- 6. DISINFECTING FILTRATION SYSTEM (DFS) Main Filter**
- Better than 99.99% particle reduction at 0.3 micron.
 - Four times the particle holding capacity as a similar HEPA filter.
 - Traps microorganisms for germicidal exposure.
- 5. DFS GERMICIDAL TECHNOLOGY**
- Captures dust, mold, pollens, dust mite, debris, and more; and destroys up to 100% of these captured contaminants.
- 4. 100% SEALED FILTRATION CHAMBER**
- All incoming air is treated in the 100% sealed intake chamber.
- 3. DUAL AIR INTAKE BLOWER**
- Drives a consistent volume of air and provides ultra-quiet operation.
- 2. 360 DEGREE AIR INTAKE**
- Allows placement anywhere, assuring room treatment.
- 1. EXCLUSIVE SEVEN-STAGE FILTER (TOTAL SYSTEM NINE-STAGE FILTER)**
- Poly Propylene Mesh: Large particle collector of dust, hair and lint.
 - ANTI-MICROBIAL: Reduces bacteria growth in filter.
 - Zeolite Pellets: VOC/GAS Adsorbent.
 - Carbon Pellets: VOC/GAS Adsorbent.
 - Potassium Permanganate: VOC/GAS Adsorbent in filter.
 - Poly Propylene Mesh: Large Particle collector of dust, hair and lint.

This powerful air purification system is designed with the chemically sensitive in mind. The CleanStation-DFS is the ultimate in its class for cleaning airborne particles, microorganisms, and gases, creating a healthier environment. Better than HEPA! CS system efficiency at 99.99% at 0.3 microns.

Specifications:	Maximum coverage Area 1000 sq. ft.
Model	CleanStation DFS / 8-Stage Filtration System
Voltage / Frequency	120V/60Hz 220V/50Hz
Three Speeds/Remote Control	High / Med / Low
Power Consumption (W)	125 / 75 / 51 Watts
CFM (Cubic Feet/Minute)	200 / 125 / 85 CFM
Operation noise (dB)	58 / 51 / 45
Dimensions (W x D x H)	15 x 16 x 27 inches (381 x 406.4 x 685.8mm)
Weight: 36 lbs. (16.3 kg)	Color: High Gloss Black
